

# Certificate of Compliance

DATE: August 17 2011

The LSRX complies with the stated specifications of the product.

The following applies to the LSRX product:

The devices are UL Recognized to US and Canadian safety standards under UL file number E68520. The devices have been investigated using ANSI/UL 508, "Industrial Control Equipment" and CAN/CSA-C22.2 No. 14, "Industrial Control Equipment" standards.

The following applies to the LSRX-C product:

The devices are UL Listed to US and Canadian safety standards under UL file number E68520. The devices have been investigated using ANSI/UL 508, "Industrial Control Equipment" and CAN/CSA-C22.2 No. 14, "Industrial Control Equipment" standards.

The following applies to both the LSRX and LSRX-C:

The devices are CE marked and approved for use in the European Union. The devices have been investigated using the IEC 60947 standard.

The devices are manufactured in the USA.

Signed,

Richard Grismer,
